**RE: DA2017/1274 - 52 Cabbage Tree Road BAYVIEW NSW 2104**

I support the DA as it now meets Council requirements, it provides quality seniors developments run by an experienced and tried operator. The units have met requirements of height and bulk and this has also reduced the number of units to 85. It also will enhance the vegetation on the golf course and enhance conditions for wildlife.

The developer has now complied with the councils objections re size and bulk. I fully support DA and look forward to a positive outcome for all
