**RE: DA2017/1274 - 52 Cabbage Tree Road BAYVIEW NSW 2104**

Dear Sir or Madam, I wish to make my objection known to any proposal now or in the future to build any human dwellings in the Bayview Wildlife Corridor. As a two time resident of Sydney, including Avalon, over a period of 8 years, I am appalled that even more precious habitat is being considered for human occupation. Humans have enough area, it is time to go upwards and leave some space for the other creatures we share this amazing country and planet with. Perhaps this option does not fill the coffers with loot but makes for a much more pleasant environment for both humans and wildlife. If we don't stop the destruction we will not have any wildlife - is that the future you want for your children and grandchildren? Kind regards
