**RE: DA2017/1274 - 52 Cabbage Tree Road BAYVIEW NSW 2104**

To Whom it May Concern,

While development for our community is a necessary need, it is incumbent on those who have been employed by the people of the local community to accept such plans with regard to the environmental ramifications of such decisions - obligations you as Council men and women place on those within your community.

You represent all residents of your community, including but not limited to those who do not vote or pay your wages.

Please remember this as you review your decision for your community.

Sincerely.
