**RE: DA2017/1274 - 52 Cabbage Tree Road BAYVIEW NSW 2104**

I support the Bayview golf club land sale to Waterbrook.  
The objections previously noted have now been addressed.  
In addition, might I add that the overall health of any privately funded facility like Bayview golf club, which caters for a wide range of demographics, is in the council's interest. Otherwise, the onus of funding recreational facilities falls entirely on the local and state government, and indirectly on the rate and tax payers.
