RE: DA2017/1274 - 52 Cabbage Tree Road BAYVIEW NSW 2104

I object to DA1274/2017 to develop 7 apartment buildings in the middle of the designated high priority wildlife corridor home to many vulnerable species. This is Biodiversity land and should not be destroyed by this 85 Unit development.

Biodiversity is precious and must be protected, once lost it is gone for ever. Wildlife is being squeezed out due to loss of habitat, this must be stopped, particularly in high priority areas such as this one.
