RE: DA2017/1274 - 52 Cabbage Tree Road BAYVIEW NSW 2104

Dear Sir,

I am writing about the High Priority Wildlife Corridor in Bayview.

I object to DA1274/2017 to develop 7 apartment buildings in the middle of the designated high priority wildlife & coastal corridor, home to many vulnerable species.

This is Biodiversity land and should not be destroyed by this 85 Unit development.

The animals need this space! We, humans, have already encroached on their environment with the demand for housing & commercial development. They have nowhere else to go.

Please stop this! Many people are concerned and object to this development.

Regards,
Ivonne Teoh
