Dev no DA2017/1274 amended plans
52 Cabbage Tree Rd and 182

Sent from my iPad5 Pittwater Rd Bayview

My family are in favour of this development.

We believe that this area requires this type of development, there is a shortage of seniors housing.

My wife and I will very shortly need to move into this sort of facility and because our family are close by we would like to stay in the area. We also like the idea of a golf course near by.

We have examined the plans and can see nothing wrong with them and feel sure it will blend in with the environment.

It should also be noted a percent has already been set with a development of a similar nature on the same side of the road.
