**RE: DA2017/1274 - 52 Cabbage Tree Road BAYVIEW NSW 2104**

I was shocked to discover that developers had appealed against the sensible decision by the Regional Panel for SEPP Seniors Housing to refuse the DA in the Bayview Wildlife Corridor on many significant grounds, including Substantial and Adverse impacts on the environment

I continue to object to DA1274/2017 to develop 7 apartment buildings in the middle of a designated high priority wildlife corridor which is home to many vulnerable species. This is Biodiversity land and should not be destroyed by this 85 Unit development.
