RE: DA2019/1119 - 4 / 0 Bennett Street CURL CURL NSW 2096

I think this is a great idea! We no longer have forest markets nearby and freshwater needs a boost with so many issues in the village. Good location as near park and handy for locals without causing too many parking issues. I will be telling all my friends and visiting regularly \u55357?\u56397?\u55356?\u57339?
