Re : DEVELOPMENT APPLICATION NO. DA 2010 / 0697

22 -26 Albert St, Freshwater/5-21 Lawrence St, Freshwater/18-22 Marmora St, Freshwater

Dear Sir

I am submitting the following objections to the application listed above: -

Impact on the AMENITY of the area & the current shopkeepers will be devastating

SAFETY CONCERNS with the 5-storey residential building backing onto the large electricity sub-station and also being adjacent to the telecommunication base.

The DENSITY of the development -- it clearly exceeds the LEP restrictions

The HEIGHT of the development -- it clearly exceeds the LEP restrictions

The lack of LANDSCAPED OPEN SPACE -- it clearly does not comply with the LEP

COMMERCIAL CAR PARKING spaces -- does not comply with the LEP

FRONT BUILDING SETBACK -- Building A does not comply with the LEP

LAND USE in regard to H1 and H2 -- these are not consistent with the LEP restrictions.

TRAFFIC CONGESTION due to the entry and exit of 337 vehicles will gridlock the area

Yours sincerely,

A handwritten signature in cursive script, appearing to read "Penelope Sharp".
