**RE: DA2017/1274 - 52 Cabbage Tree Road BAYVIEW NSW 2104**

"I object to DA1274/2017 to develop 7 apartment buildings in the middle of the designated high priority wildlife corridor home to many vulnerable species. This is Biodiversity land and should not be destroyed by this 85 Unit development." If we keep getting rid of the wildlife corridor there will be nowhere for these poor animals to live or feed. The city is just becoming over crowded with all these units that are being built for the greed of the developers.
