18 October 2004.

Re proposed Demolition and construction of new  
Dwelling at 13 Bruce St Manavale NSW.

Dear Sir or Madame as Discussed I will be employing  
the following Waste Management Plan and procedures

- ① Demolition of Existing weather Board cottage is to be  
by way of Sale and removal from site be professional  
House relocators to its new proposed site in the  
Blue Mountains
- ② Roof Tiles and Foundation Brickwork and concrete  
are to be recycled at concrete recyclers in  
Kimbriki tip removed from site as work proceeds  
by my self.
- ③ Excavation. All Excavated Material is to be removed  
from site as work proceeds by My company.  
appropriate Land fill tip sites are to be sourced  
by my self.
- ④ All Building Rubbish/Debris from construction  
will be cleaned and sorted for Recycling at  
Kimbriki tip as work proceeds.
- ⑤ No Stockpiling of Rubbish or Excavated Materials  
will occur on site.
- ⑥ No asbestos or contaminated waste products exist  
on site
- ⑦ A clean safe work place will be Maintained  
at all times with all necessary sediment  
control Barriers and alike in place at all times

Kind Regards

IAN WALTERS.
