RE: DA number: DA2017/1274

To whom it may concern

I am writing to you today to show my support for the development of the Bayview Seniors Housing and Golf Course. The development is a crucial part to the future of the elderly community, catering for the shortage of Retirement Housing. The development will also support the Bayview Golf Club. I believe the Waterbrook development will be of benefit to the community and the environment, following the rectification of flooding issues and the establishment of actual wildlife corridors.
