Cambridge Markets is experienced in holding markets in other residential areas of Sydney and we have kept disturbance to residents to a minimum. We hope to emulate this. Professional traffic controllers will be on site as well as the Market Operators and assistance to ensure smooth bump in and bump out as well as the running of the event.

Cambridge Markets would like to extend an invitation to the local residence to come and enjoy a wonderful market experience. Come and say hi to your neighbour, and eat, shop, explore in the picturesque surroundings.

There will be minimal noise due to a rigorous scheduling with bump in and bump out of vehicles unloading their tents and wares. Bump in and bump out will take place within the bowling club from the entrance of Bennett and Stirgess Sts. Once the Market starts there will be gathering of crowds to view the stalls and sitting and eating.

All inconvenience to residents is being kept to a minimum. Approval has been obtained from Council & Police.
