RE: DA2017/1274 - 52 Cabbage Tree Road BAYVIEW NSW 2104

Reference. DA 1274/2017

To whom it may concern:

I wish to object to the above DA to develop seven apartment buildings in the middle of the designated high priority wildlife corridor which is home to many vulnerable species.

This is Biodiversity land and should not be destroyed by this development.

As you can see from my details, I don't live near this area. However, I know it well and am horrified that such a development could be considered when it is obviously so detrimental to our precious wildlife.

Thank you for taking my comments into serious consideration.

Kind regards,
Yvonne Fessler
