RE: DA2017/1274 - 52 Cabbage Tree Road BAYVIEW NSW 2104

I object to DA1274/2017 to develop apartment buildings in the middle of the designated high priority wildlife corridor which is home to many vulnerable species. Any development of this corridor would ruin this highly valuable environment which is essential to preserve the biodiversity of the region. Build the units elsewhere. The sensitive flora and fauna that would be destroyed for units is irreplaceable.

Thank you for considering my objections.
