RE: DA2019/1119 - 4 / 0 Bennett Street CURL CURL NSW 2096

These markets are so great - I have been to the ones they run in the eastern suburbs and the quality of the vendors is really quite amazing. I feel it would serve the beaches community really well and offer a service that is very special and unique. There really isn't much available at all in terms of grocery shopping at now in Freshwater with the Growers gone - so I think these markets will fill a much needed void.
