**RE: DA2017/1274 - 52 Cabbage Tree Road BAYVIEW NSW 2104**

I object to DA1274/2017 to develop seven (7) apartment buildings in the middle of the designated high priority wildlife corridor home to many vulnerable species. This is Biodiversity land and should not be destroyed by this development.

Once this land is gone and the access by these many species to the corridor they rely on for life is lost, their continued existence is gone forever. They cannot survive and Australia is worse off by the loss of more of our unique wildlife.
