RE: DA2020/0661 - 7356 / 1167221 Huston Parade NORTH CURL CURL NSW 2099

I object to this development as the telecommunications facility will be extremely close to the the soccer fields. It will also be close to Curl Curl North Primary School and the department of education has a preference for a distance of at least 500 metres between a proposed mobile telecommunications facility and a school:

This will cause unnecessary exposure to radiation that we do not yet know the full effects of on long term health.
