RE: DA2017/1274 - 52 Cabbage Tree Road BAYVIEW NSW 2104

I object to DA1274/2017 to develop 7 apartment buildings in the middle of the designated high priority wildlife corridor home to many vulnerable species, especially Powerful Owls. This DA was rejected by the Regional Panel for SEPP Seniors Housing in the Bayview Wildlife Corridor on many significant grounds including Substantial and Adverse impacts on the environment and has overwhelming community objections and 59,000 signatures.

This is unique biodiverse place should not be destroyed by development. It is too late once destroyed. Please think about future generations.
