RE: DA2017/1274 - 52 Cabbage Tree Road BAYVIEW NSW 2104

I would like to support the Cabbage Tree Road Development.
I have lived on the Beaches for many years, it is no secret, we have an absolute shortage of quality retirement developments. I implore you to consider how seniors will be accommodated in the next 10 years, the Council needs to take responsibility for this most vulnerable group by approving compliant developments.
Thank you.
