RE: DA2017/1274 - 52 Cabbage Tree Road BAYVIEW NSW 2104

I have previously added my support to the original application. I am now aware that all the concerns from the council have been met in the new application.

I have been a resident at Church Point for over 30 years. I am fully aware of how special the Northern Beaches are.

I fully understand why we have to be vigilant, however if the new application meets all the requirements the development can only enhance the area & has my full support.

Please look at the big picture & not those opinions from small minded self interested parties.

Sincerely

Robert Cadden
