Submission re
BayviewSeniors Housing and Golf Course

From

Brian Gray
4 Cranford Avenue
St Ives
NSW 2075
Bayview Member 19109

I am a recently joined member of Bayview Golf Club I joined the Club because of the wonderful location and well maintained golf course

I believe that a seniors development on "the hill" will fit in beautifully with the surroundings.

There are a couple of developments which are now benefiting from their proximity with the course

This new development will offer beautiful views and add to the ambience of the surroundings

Sincerely

Brian Gray
