**RE: DA2020/0661 - 7356 / 1167221 Huston Parade NORTH CURL CURL NSW
2099**

This is so close to the coast and on public land so many drive through to reach the beach at north curl curl. It doesn't make sense to place a tower close to the coast. put them at the top of hills. keep the beaches free of the rubbish. the tourist numbers at North Curl Curl have been massive lately, especially with Koreans, Chinese, Japanese, Im sure they are not coming to see radio towers, they can see plenty of that in their country of origins.
