RE: DA2017/1274 - 52 Cabbage Tree Road BAYVIEW NSW 2104

We object to DA1274/2017 to develop 7 apartment buildings in the middle of the designated high priority wildlife corridor home to many vulnerable species. This is Biodiversity land and should not be destroyed by this 85 Unit development. The health and wellbeing of people on the whole of the Northern Beaches relies on the natural environment, which must be protected. Biodiversity is the key to sustainability.
