RE: DA2017/1274 - 52 Cabbage Tree Road BAYVIEW NSW 2104

I object to DA1274/2017 to develop 7 apartment buildings in the middle of the designated high priority wildlife corridor, home to many vulnerable species. This is Biodiversity land and should not be destroyed by this development.

Massively inappropriate plans to build a massive development in an area already identified as a high priority wildlife corridor must not be allowed.
