Subject: DA No 2017/1274 52 Cabbage Tree Road Bayview

Dear Mr. Brownlee,

Re DA No 2017/2174 52 Cabbage Tree Road and 1825 Pittwater Road Bayview.
We stand by our comments of objection to the original development application that was refused by the Sydney North Planning Panel. It is clearly absurd to believe reducing tree removal from 153 to 140 addresses the issue of the wildlife corridor. We still see no redeeming feature of the planned gross overdevelopment and the paltry few modifications conceded are insulting.
In our view as no serious attempt has been made to address the significant major issues there should be no further avenues for this development application to continue.

Yours Faithfully,
Pat and Dave Gleen.
