**RE: DA2017/1274 - 52 Cabbage Tree Road BAYVIEW NSW 2104**

I absolutely object to DA1274/2017 to develop 7 apartment buildings in the middle of the designated high priority wildlife corridor home to many vulnerable species.

I am so fed up with human beings riding roughshod over all of the other (non human) species with which we share this planet. It is absolutely disgraceful that this proposal firstly, was ever made, and secondly is given any consideration at all. It nothing but a disgusting attempt by a greedy developer looking to line his pockets.

Please, please refuse this proposal.
