**RE: DA2020/1756 - 353 Barrenjoey Road NEWPORT NSW 2106**

I have lived in Newport since 1977: Robertson Road has always been a special place to me, and the residents of Newport.....This Plan will take away so much from what little charm is left in Newport: too high, too big, not making use of Robertson Road which could become a delightful plaza.....I ask the Council to reconsider the situation, and request Designers/Developers, to use their creativity and consider the needs of the people who live here.
