**RE: DA2017/1294 - 9 Lawrence Street FRESHWATER NSW 2096**

To whom it concern.

I would like to object to this DA1294.  
However before I raise valid and solid objections to this DA there needs to be an investigation by yourselves into this "NEW" councils DA process.

The council; has been remiss in accidentally not informing the neighbours of this proposed DA, the number of resident notifications was very small and there seems to be a high inconsistency on how this DA has been handled in comparison to many others.

Secondly the developers need to place the parking underground as has been consistent with other similar new developments in Freshwater. Also the issue of pedestrian safety has been overlooked again.

Yours faithfully Toni Evans
