**RE: DA2017/1274 - 52 Cabbage Tree Road BAYVIEW NSW 2104**

Dear Assessing Officer, I object strongly to the proposed seven building development on a valuable wildlife corridor. The development I am opposed to is DA1274/2017. This seven building development will destroy habitat and migration patterns, environmental amenity, water and air quality to this valuable open area. It must be totally blocked.  
regards, David Metzenthien.
