RE: DA2017/1274 - 52 Cabbage Tree Road BAYVIEW NSW 2104

I wish to protest against the proposed development in a significant wildlife corridor at Bay View.

As a keen bird-watcher, I am sadly aware of the decreasing populations and diversity of local birdlife, resulting from increasingly dense development. and urban sprawl. At least the significant corridors must be preserved. There are still plenty of building sites which are not important to the threatened species, such as the powerful owl , which frequents this area.
