Subject: Submission - Objection - DA2018/0149

Dear Council,

Application No. DA2018/0149 – NSW LEC Amended Plan
Address: Lot 1 DP200542 – 60 Binalong Ave, Allambie Heights

I am writing to you as an objection to a development application for a boarding house as per above. The proposed DA for a boarding house by reason of its scale, number of occupants and intensity of use is inconsistent with the low density residential environment of that objective.

Kind Regards

Paul O’Sullivan
