Subject: Bayview Seniors housing & Golf Course

DA 2017/1274

I would like to offer my support for the proposed Waterbrook Development at Bayview Golf Course.

The development of environmentally friendly & appropriate buildings is important to the local community.

There are a lot of senior people living in this area who would like to downsize & stay near their children & grandchildren.

The improvements to the course such as improved water management & additional tree planting are also important.

Bayview golf course is a vital sporting facility for the older & younger members of our community. It is a community of healthy sports people.

Your sincerely
