RE: DA2018/0149 - 60 Binalong Avenue ALLAMBIE HEIGHTS NSW 2100

I write to express my opposition to the amended planned boarding house at 60 Binalong. Parking will be of major concern around this area. Any overflow from the basement parking will spill onto our streets making it challenging for current residents to park. There are many children who walk to school or walk to bus stops on Allambie Road and any extra traffic certainly in this area becomes an issue regarding the safety of children.
