RE: DA2017/1274 - 52 Cabbage Tree Road BAYVIEW NSW 2104

i am a member of bayview golf club and my property backs onto the course adjacent to the 6th hole i can see no reason for this development not to go ahead it will help the golf club keep running provide work for locals provide up market accommodation improve the area and seems to comply with what was required by council. I have seen waterbrooks other retirement village and they do quality work and provide good management.
