RE: DA2017/1274 - 52 Cabbage Tree Road BAYVIEW NSW 2104

My husband and I grew up on the Northern Beaches of Sydney, in particular, Mona Vale and Terrey Hills. We object to DA1274/2017 to develop 7 apartment buildings in the middle of the designated high priority wildlife corridor home to many vulnerable species.

This is Biodiversity land and should not be destroyed by this development. Once this important Wildlife Corridor is destroyed it can never be replaced. Please do not allow this development to proceed we need to keep the wildlife in the area for future generations.
