RE: DA2018/0149 - 60 Binalong Avenue ALLAMBIE HEIGHTS NSW 2100

I thank you for your recent letter of 22nd November regarding the development at 60 Binalong Avenue, DA 2018/0149. My submission remains the same as before, (my letter to you dated 12.2.18). I am so disappointed that the council decision on behalf of the residents is being questioned and trampled on by the developer through the LEC. I know that that is the way of things in this 'modern' world and I would that it was'nt. However I still hope wise heads will prevail and a reasonable outcome will result. 36 beds in a 2 storey building with totally inadequate provision for parking sounds and will be horrific for the neighbourhood. I did mention previously the use of land at the top of Allambie Road which has lain idle for years, why not use that?
Yours faithfully, Robin Cant
