**RE: DA2017/1274 - 52 Cabbage Tree Road BAYVIEW NSW 2104**

I object to the plan DA1274/2017 to develop 7 apartment buildings in the middle of a designated high priority wildlife corridor, home to many vulnerable species. This is Biodiversity land and must not be destroyed by development. Despite the Refusal of this DA by the Regional Panel for SEPP Seniors Housing in the Bayview Wildlife Corridor on many significant grounds including Substantial and Adverse impacts on the environment and despite overwhelming community objections and 59,000 signatures, an appeal has been lodged and New plans submitted by the developer in the Land and Environment Court. These new plans must also be refused.
