RE: DA2018/0149 - 60 Binalong Avenue ALLAMBIE HEIGHTS NSW 2100

I strongly object to this development. It is utterly out of character with the single family houses in the surrounding area. The sheer size of the proposed development is of a scale unfitting of this low density family suburb. The increased volume of people, cars, waste, noise and other environmental impacts would be at an unacceptable level. This is a residential plot in a residential area - maintain this please.
