**RE: DA2017/1274 - 52 Cabbage Tree Road BAYVIEW NSW 2104**

I object in the strongest possible terms to DA1274/2017 to develop 7 apartment buildings in the middle of the designated high priority wildlife & coastal corridor. This area is home to many vulnerable species of animal and it is appalling that you would continue with this plan in complete discord with the federal govt threatened species supposed philosophy. we desperately need these corridors to protect our native wildlife
