Dear Assessing Officer,

I write in support of the proposed Bayview Golf Club/Waterbrook development.

I believe that the development will positively support the community/ the northern beaches area.

A seniors housing option for over 60-year-olds caters to the current trend of an ageing population.

As being a member of the club for the last 12 years and a teenager growing up in the area I believe the club also acts as an important area of social activity for member and visitors for hospitality, functions and recreational use.

The progress of this development also allows for viable collaboration between the golf club and the council in regard to improvements of community and sporting facilities.

Regards  
Tess Clarke
