RE: DA2017/1274 - 52 Cabbage Tree Road BAYVIEW NSW 2104

Although I do not live in your area I have had a long association with the Bay View area through family. I am horrified that planning would allow a large development of apartment buildings in such an environmentally sensitive area. Wild life corridors are essential for the habitat of native animals and birds and by destroying this the whole environment is diminished to the loss of both the human and animal population.

Please reconsider this decision.

Sincerely,
Jan King
