RE: DA2017/1274 - 52 Cabbage Tree Road BAYVIEW NSW 2104

, is there abso-lute-ly NO limit in this city/state/country to this exponential increase in [non-human] "they-were-here-first"-habitat eradication ?.

It is not just bizarre, it is criminal (it is pure-100% environmental vandalism).
Who or what (OMG!) gives ANYone the entitlement to ph8kC the biosphere / atmosphere ?.

My 'advice' : if you want a bold & bare planet, please migrate to Mars, ASAP.
