Objection to DA2017/1274

Good morning,

We live in Church Point and play Golf at Bayview weekly and herewith vehemently oppose above DA for following reasons:

- 1) It would be a complete destruction of what is currently an absolute peaceful oasis with wonderful wildlife, flora and fauna.
- 2) The size and height of this proposed monstrosity is beyond believe
- 3) Loss of over a hundred wonderful mature trees
- 4) There are already dozens of retirement villages within a short distance
- 5) Loss of even more open space

We are not against progress, but this proposal is just absolutely unacceptable. There are many other ways to improve the Golf Clubs finances, without vandalizing such a beautiful area. Please stand up against this development and listen to the people who live here.

Thank you very much for your time.

Kind Regards
