RE: DA2017/1274 - 52 Cabbage Tree Road BAYVIEW NSW 2104

I am writing to support the seniors development submitted by Waterbrook to be located on land currently owned by the Bayview Golf Club
This important quality development will be part of the future housing needed on the Northern Beaches in order to allow seniors the chance to live in a community surrounded by like minded retirees who wish to downsize from larger properties and live on a beautiful golf course.

This will enhance the community as well as allow Bayview to offer a much improved golf course as well as encouraging wildlife to prosper and enhance the surroundings for members enjoying improvements to their beloved course.

We trust the reduction in height and unit numbers will fit with the the council development requirements.

Regards
