RE: DA2018/0149 - 60 Binalong Avenue ALLAMBIE HEIGHTS NSW 2100

I would like to register my objection to this proposed development on the grounds that it is completely out of character for the area. The suburb, low density residential zoned, is already struggling under the weight of increased traffic from the recent hospital development and does not have the infrastructure in place to support further development (public transport, schools to name just a few of the basics!). If this development is approved it will set a dangerous precedent that will lead to further undesired development.
