RE: DA2017/1274 - 52 Cabbage Tree Road BAYVIEW NSW 2104

I object to DA1274/2017 to develop 7 apartment buildings in the middle of the designated high priority wildlife corridor home to many vulnerable species. This is Biodiversity land and should not be destroyed by this development. Our wildlife and wildlife corridors are under threat in the extreme. We must come together for the future generations. Please do not approve this development for the sake of future generations of both humans and wildlife.
