**RE: DA2017/1274 - 52 Cabbage Tree Road BAYVIEW NSW 2104**

Dear Sir/Madame,

Loss of habitat is the major cause of the rapid rise of threatened & endangered wildlife species in this country. We have an appalling track record of habitat destruction in Australia. It has to stop. Greed & profit must cease to drive this agenda of out of control destruction. The inheritance of future generations is being stolen, the lives of our precious & irreplaceable wildlife destroyed. Time to abandon this selfish & irresponsible conduct.

Sincerely,

Claire Huie
