**RE: DA2020/0661 - 7356 / 1167221 Huston Parade NORTH CURL CURL NSW  
2099**

I'd like to submit my objections due to the following reasons:

Many children use the Courts every day for Sport and leisure, even Council committing to building the skate park. This could have adverse affects in their health and also stop attracting non locals to the area.

This will negatively impact the local residents in deeming the area less desirable.

Many school are within this catchment, health concerns are raised here.

Negatively impact the local area, it's currently a space pf beauty and wildlife, this is not tending to the outlook of the area.

I feel there are too many comprises to go ahead, and I'm an Optus user.

Thanks Tracy
